ANNUAL LOOKING GLASS GALA

*A Midspring Night's Dream*  
MAY 8<sup>TH</sup>.2020

Dear Auction Donor:

On **May 8<sup>th</sup>, 2020** our **Midspring Night's Dream Gala** will raise funds to support people who are impacted by eating disorders. We will host over 350 guests at the elegant **Fairmont Hotel Vancouver** for an inspiring event, featuring a champagne reception, silent auction, delicious 3-course dinner, live auction, entertainment and dancing. We would be delighted to **welcome a donation of [specific request] from [company]** for our 2020 Gala Auction!

We are very grateful for our community's support. Last year, our auction donors and participants helped us raise \$400,000. We invite you to consider the following 2020 donation options:

- **Live Auction:** 4 – 6 items valued between \$5,000 and \$15,000 will be offered to guests. Some of our most popular items have been trips to London or Paris, Haida Gwaii Fishing Excursion, Flowers for A Year, and a fully catered dinner for 8 – 12 guests.
- **Premium Auction:** Offered while guests enjoy a champagne reception, these 10-20 coveted items are valued at \$500 - \$5,000. Popular items have included all-inclusive get-aways, Opera tickets, box seats at sporting or cultural events, and airline gift cards. We welcome your ideas!
- **Wine & Spirits Auction:** Always a best-seller, we offer an array of beverages, often paired with a restaurant gift certificate, box of chocolates.
- **Silent Auction:** Valued between \$100 and \$1,000 we offer approximately 25 items, which may include hotel packages, exclusive sports tickets, restaurant gift certificates, plentiful gift baskets or other exciting items.

**In appreciation of your contribution**, you will be recognized in print, on our website, in social media, and during the event. *"What inspired me the most about the 2019 Gala night was seeing it come to life, seeing the Greater Vancouver community come together for such a special cause, and seeing first-hand how those efforts touch the lives of those individuals struggling with eating disorders."*
