About Looking Glass Foundation for Eating Disorders

Looking Glass Foundation was established in 2002 by families seeking care for their loved ones, who were suffering from life-threatening eating disorders. Thanks to the commitment, courage, and dedication of these founding families, and many others who came on board to support, the organization has become an important contributor to the continuum of care for those struggling with eating disorders.

About Reflections co-presented by Ledcor and PCI Developments

This event is an opportunity to bring the community together and raise vital funds that will directly benefit the programs and services provided by Looking Glass Foundation. For more information, please visit: <https://www.lookingglassbc.com/support-us/reflections-gala/>.
